# ABOUT US

Founded in 1992 by textile enthusiast B.P.Singh, JPHandloom was established to meet the growing demand for high-quality textiles. Beginning his journey in the Handloom Textile, Mr Singh quickly realised the need for well-crafted fabrics. Merging his passion for textiles with business acumen, he launched JPHandloom. Based in Odisha, India, the company operates with the aim of providing unique and top-notch fabrics to the global market.

Founded in 2022 JPH Exports Private Limited represents the evolution of a legacy, emerging as the second generation of the esteemed JPHandloom family. Building upon the rich heritage and expertise of its predecessor, JPH Exports carries forward the tradition of excellence in the SUSTAINABLE TEXTILE export industry.

Rooted in the same values of quality craftsmanship, ethical business practices, and customer-centric approach, JPH Exports continues the legacy of its predecessor while embracing innovation and adaptability to meet the demands of a rapidly evolving global marketplace.

With a keen focus on expanding its product offerings and reaching new markets, JPH Exports leverages its deep industry knowledge, extensive networks, and a passion for excellence to drive growth and success. As a second-generation company, it honors the traditions of the past while embracing the opportunities of the future, ensuring that the legacy of JPHandloom continues to thrive in the modern world of international trade.

- Inspired by the rich textile tradition of India

# OUR Mulberry Satin Crepe Silk FABRICS:

Mulberry silk fabric is renowned for its luxurious feel and exceptional quality. It is crafted from the silk fibers produced by silkworms fed exclusively on mulberry leaves, hence the name. This type of silk is highly prized for its smooth texture, natural sheen, and durability. Mulberry silk fabric is known for its hypoallergenic properties, making it suitable for sensitive skin. It drapes beautifully, making it a popular choice for high-end clothing such as silk blouses, dresses, and scarves. Additionally, it is often used in luxury bedding due to its softness and breathability. Overall, mulberry silk fabric represents the pinnacle of silk quality and is favored by those who appreciate both luxury and comfort.
